

ACCESSORIES

Turbo™

Cleaning capacity of 500 to 1000 square feet per hour. Lightweight, resistant to impact, and travels in all directions. It has a stainless steel, comfort-grip, non-slip handle, and a fiber reinforced shell. Patented automatic vacuum compensator leaves the floor drier than any other hard surface tool!

Part Number: 000-163-201

Hard Surface Tools

Scrub & Vac Plus™

Scrub and Vac Plus 12.5" and 6" hard surface swivel tools with 4-jet and single-jet heads. Swivel head allows tools to "lay down" under fixtures. The 6" head is designed for edge and corner cleaning. The internal pressure hose is rated up to 2500 psi and 230°F.

Part Number: 000-163-205

Turbo DT™ Detail Tool

Hard surface detail tool. Cleans corners, edges, and all tight spaces. Replaceable brush, injection molded ST-Nylon Construction. Only 2 lbs., and rated up to 2150 psi and 200°F.

Part Number: 000-163-203

Mini Turbo™ Hard Surface Tool

Innovative countertop and wall tool designed for tile and grout cleaning. Up to 2150 psi and 210°F. Patented automatic vacuum compensator leaves surfaces drier than other tools.

Part Number: 000-163-202

CLEANMASTER

Evolution™

Half the weight, twice the performance. The Evolution is not your standard wand. It is extremely lightweight. The aluminum tube and roto-molded head help to reduce fatigue on the technician. The sealed Delrin glides help the wand to be easily pushed across the carpet, and are tapered to keep a good seal on the fibers. The Evolution is available in two sizes: a 12" head with 1-1/2" with tube and 16" head with a 2" tube.

Part Numbers: 1-1/2" - 000-163-034
2" - 000-163-035

- A. 12" Double Bend Carpet Wand: 1-1/2" polished stainless steel, double bend, dual spray tip wand with internal spray tip features. This design is the least fatiguing to the operator. For use with extractors. Part Number: 100-011-106
- B. 10" Carpet Wand: 1-1/4" stainless steel wand designed for use with the SpotMaster or UPH-60. Part Number: 100-011-099
- C. 12" Single Bend Carpet Wand: 1-1/2" polished stainless steel, single bend, dual spray tip wand. For use with extractors. Part Number: 100-011-101
- D. Crevice Tool: 17" stainless steel, including nuts and bolts, with valve rated up to 400 psi. No drip detailer with the jet inside of the vacuum chamber. Stainless jet welded to stainless tubing. Part Number: 000-163-011

Carpet and Upholstery Tools

DriMaster DM2™

It's unlike any tool you've ever used. The solution is under constant flow, trained by the patented injector bar and slotted vacuum port system. No need for a dry pass. Now with optional comfort grip. Durable, composite polymer construction.

- 50% increased solution flow
- 20% larger cleaning head

Part Number: 000-163-012
Optional grip: 000-061-144

Base Upholstery Tool

Light weight hand tool made from high-performance resin. Includes 4" enclosed whip hose. Lifetime warranty on shell.

Part Number: 000-164-018

Upholstery Tool

Great for auto detailing, stairs and upholstery cleaning.

Part Number: 000-164-021
